Dear Kurt:

On behalf of everyone here at The Biltmore Company, I would like to sincerely congratulate Design Workshop on receiving the 2008 ASLA Landscape Architecture Firm Award.

We are delighted to be working with Glenn and your Asheville office on the Winery Village project. We truly appreciate the work you did for the Inn on Biltmore Estate. We continue to hear from many of our guests who admire the beautiful setting there that you and your team helped to create.

You are deserving recipients of this prestigious award. We wish you continued success in the future and look forward to working with you again.

Sincerely,

THE BILTMORE COMPANY
