## THE BIG MOVES

The character images below show proposed, inspirational ideas for how the master plan ideas may look. Future refinement will occur during the next design phases.

1 Preserve Uncle Wilber Fountain and Paving

2 Promenade-Ice Rink Area Becomes Summer Lawn

3 New Visitor Center and Stone Seating

11 Garden Grove Path

14 Interactive All-Age Play

17 A series of fun seating elements are proposed to be placed strategically throughout the park and also act as park lighting in the evening.
