ACACIA PARK PREFERRED PLAN

THE BIG MOVES
The character images below show proposed, inspirational ideas for how the master plan ideas may look. Future refinement will occur during the next design phases.

Preserve Uncle Wilber Fountain and Paving
Promenade-Ice Rink Area Becomes Summer Lawn
New Visitor Center and Stone Seating
Permanent Food Stalls
Amphitheater Lawn
Further Feasibility Study of Bandshell Renovation/Replacement
Garden Grove Path
Interactive All-Age Play
A series of fun seating elements are proposed to be placed strategically throughout the park and also act as park lighting in the evening.

Symbol Key
