Design Workshop Promotes Paul Squadrito to Technical Principal

Share Article

Design Workshop, an international landscape architecture, planning and urban design firm, announces the promotion of Paul Squadrito to technical principal.

ASPEN, COLO. (PRWEB) OCTOBER 16, 2019

Design Workshop, an international landscape architecture, planning and urban design firm, is pleased to announce the promotion of Paul Squadrito to technical principal, a newly created position with the firm. In this role, he will provide firmwide leadership and professional development in the areas of quality control, project management, and technical execution.

"Paul is well deserving of this promotion. His technical proficiency is exceptional, and he always takes time to mentor others," said Mike Albert, principal and member of the Design Workshop Board of Directors. "He places a strong emphasis on personal accountability, which is critical to becoming a great designer and planner."

With more than 25 years of professional experience in landscape architecture and master planning, Squadrito has an unwavering drive for technical excellence. Since joining Design Workshop in 2006, he has worked with public and private clients in a range of sectors, scales, and geographies. He and his teams have received notable peer recognition, including four American Society of Landscape Architects (ASLA) awards in the last eight years: South Grand Boulevard Great Streets Initiative, Lafitte

Paul Squadrito has been promoted to technical principal at Design Workshop.

"Paul is well deserving of this promotion. His technical

Greenway and Revitalization Corridor Plan, Landscape Architecture Documentation Standards: Principles, Guidelines and Best Practices and The Restoring of a Montane Landscape.

"Paul will work with our teams to leverage resources and build a more rigorous design process, while at the same time cultivating inspiration and innovation," added Robb Berg, principal and member of the Design Workshop Board of Directors.

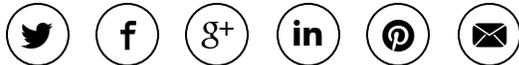

Squadrito is active with the U.S. Green Building Council Colorado Chapter and supports the Special Olympics in the Roaring Forks area, serving as a mentor and coach to athletes with developmental disabilities.

About Design Workshop
